Champion Reports

Arts Herald Music Program (Stan) – No change. Still need bands through September 2015. Funds were transferred to Economic Development under Eric Zeno. Stan is still booking music and will transfer all responsibility to Eric next fiscal year.

Stan says we're staying in close touch with Parks & Rec to see how we can help out and boost their stuff. Chamber wants to do an annual special event that's, brain storming meeting on the 18th at Moutons.

Public Art in Public Places (Ashli, Stan): Marty Lenhart (Donated the "Twilight" painting) wants to become more involved with us, he has more artwork. Putting an information packet together to give to interested artists that tells what we've got going on, and forms for donating and loaning art. Put on City Website and Facebook page. Need to get info to Steve and Debbie Cullum.

Nancy will get with Ashli to help put together the general information for public art in public places, reoccurring themes, sizes, where its to be hung, etc.

Next month's meeting we will elect officers. Stan says discussion with Jason Dishongh regarding the interviewing process as well as a three-strikes-your-out rule for people that don't show to meetings and participate.

Ashli asked what the call for art date was, as we didn't put it in last months plan. Need to check with Tanya. Stan will contact Tanya regarding the call for art deadline for the Green Cities.

The dumpster has been moved into Stan's garage and its ready to be painted. We will announce the painting of the dumpster at the next city council meeting.

Ashli wanted to know if we should put in the "Winter" theme in December? Need a call for art on Facebook and website, but decided to disregard that because it's hard to get anything done during the holidays.
